EasyTest & Endless Math CDs for Operators

EasyTest for Operators is a unique computerized tool designed to provide you with hands-on COMPUTERIZED practice questions (each ***EasyTest*** CD contains over 200 questions) that will help you sharpen your operational knowledge and skills, and prepare for your next exam. New questions are added as we develop relevant and useful questions to include. And now- you will find that more and more questions contain movies, graphics, and explanations to further enhance these great tools. Folks who have purchased these CDs love how easy they are to use! See evidence from actual users by clicking on "Feature Resources" at www.aceops.org.

The cost is \$59/CD for AceOps members and \$99/CD for non-members. AceOps gift certificates are accepted and limited to one gift certificate per CD ordered. A 5% discount is provided on orders of 10 or more CDs at one time!

If you are not a current AceOps member, you can join today by downloading a membership application at www.aceops.org, completing it and mailing it to us with your \$35 membership fee and the fees for the CD(s) that you wish to order.
